Data and Access

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the [California Department of Education \(CDE\) SARC Web page](#).
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information

For further information regarding the data elements and terms used in the SARC see the 2012-13 Academic Performance Index Reports Information Guide located on the [CDE API Web page](#).

School Description and Mission Statement (School Year 2012-13)

Richmond College Prep Schools are actually two schools in three locations - an enhanced preschool for four year old children who matriculate to an extended day and extended year charter elementary school. The elementary school is currently chartered through grade 6. In 2005 we started our first preschool class with 20 children and currently have more than 48 students in preschool and about 420 in grades K-6.

Our students live in the Santa Fe, Coronado neighborhoods of Richmond in the Iron Triangle area and are required to wear school uniforms.

The educational philosophy is centered on preparing students, beginning at four years of age, to succeed academically and emotionally in a college educational environment. This philosophy requires nurturing the expectation of academic success in families as well as students.

Vision Statement

To close the achievement gap, by eliminating the inequalities of education in the Iron Triangle and Richmond at large.

Mission Statement

To change our community through education, by providing preschool and elementary school academic services, resulting in grade appropriate achievement, cultural enrichment, and strong moral character.

Core Values

Academic Excellence

We believe in academic excellence; demonstrated by every student performing at least at the proficient level. We are committed to identifying and eliminating barriers to educational achievement. We create policies and practices that are fair and just and provide educational opportunities to ensure that every student meets our standards for achievement, participation, and growth.

Strong Moral Character

We believe that the true goal of education includes strong moral character as well as academics. Character traits, including responsibility, love, timeliness, integrity, perseverance, honesty, self discipline, courage, and cooperation, are expected to be interwoven into our campus culture.

Cultural Enrichment

We are committed to extending our students' cultural knowledge and experience.

Last updated: 1/31/2014

Opportunities for Parental Involvement (School Year 2012-13)

RCP believes that parent participation is important in the overall educational progress of the children.

RCP holds an annual Title I meeting at Back-to-School Night, to which all parents are invited and encouraged to attend. During that meeting school's current Parental Involvement Policy, School-Parent Compact, and other information is distributed. RCPK also holds regular monthly meetings open to all parents.

Parents/grandparents are encouraged by RCPK to participate in its Schools Site Council as well as the English Learner Advisory Committee. These two committees meet monthly at Richmond College Prep.

Last updated: 1/31/2014

Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the [CDE STAR Results Web site](#).

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13
English-Language Arts	40%	44%	50%	41%	43%	42%	54%	56%	55%
Mathematics	59%	69%	76%	37%	38%	38%	49%	50%	50%
Science	39%	41%	73%	42%	45%	47%	57%	60%	59%
History-Social Science	N/A	N/A	N/A	28%	30%	32%	48%	49%	49%

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Physical Fitness Test Results (School Year 2012-13)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the [CDE PFT Web page](#).

Grade level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	30.0%	34.0%	16.0%

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the [CDE API Web page](#).

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2010-11	2011-12	2012-13
Statewide			
Similar Schools			

Last updated: 1/31/2014

Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change 2010-11	Actual API Change 2011-12	Actual API Change 2012-13
All Students at the School	59	41	33
Black or African American	35	38	62
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino			1
Native Hawaiian or Pacific Islander			
White			
Two or More Races			
Socioeconomically Disadvantaged	50	45	34
English Learners			1
Students with Disabilities			

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Last updated: 1/31/2014

Academic Performance Index Growth by Student Group – 2012-13 Growth API

Comparison

This table displays, by student group, the number of students included in the API and the Growth API at the school, LEA, and state level.

Group	Number of Students	School	Number of Students	LEA	Number of Students	State
All Students at the School	191	828	20,646	717	4,655,989	790
Black or African American	90	833	4,126	645	296,463	708
American Indian or Alaska Native	0		39	718	30,394	743
Asian	0		2,296	816	406,527	906

Adequate Yearly Progress Overall and by Criteria (School Year 2012-13)

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the [CDE AYP Web page](#).

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate - English-Language Arts	Yes	Yes
Met Participation Rate - Mathematics	Yes	Yes
Met Percent Proficient - English-Language Arts	Yes	No
Met Percent Proficient - Mathematics	Yes	No
Met API Criteria	Yes	Yes
Met Graduation Rate	N/A	No

Last updated: 1/31/2014

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the [CDE PI Status Determinations Web page](#).

Indicator	School	District
Program Improvement Status	Not in PI	
First Year of Program Improvement		
Year in Program Improvement		
Number of Schools Currently in Program Improvement	N/A	
Percent of Schools Currently in Program Improvement	N/A	%

Note: Cells shaded in black or with N/A values do not require data.

School Safety Plan (School Year 2012-13)

The School Safety Plan details appropriate responses for a variety of emergency situations - including fire, earthquake and shelter in place. The school conducts monthly drills with staff, teachers, students and emergency response teams. Involved in the School Safety Plan are the administration, maintenance and operations, office staff, teachers and support staff, and local emergency response organizations such as Richmond Fire Department and Richmond Police Department. The plan describes steps necessary to ensure the safety of our students and staff in the event of an emergency.

The School Safety Plan will be reviewed by Administration and School Site Council in 2014.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2012-13) -

The federal ESEA, also known as NCLB, requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE [Improving Teacher and Principal Quality Web page](#).

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	100	0
All Schools in District	100	0
High-Poverty Schools in District	100	0
Low-Poverty Schools in District	0	0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

School Completion and Postsecondary Preparation

Admission Requirements for California’s Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state’s high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the [UC Admissions Information Web page](#).

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the [CSU Web page](#).

Dropout Rate and Graduation Rate

Indicator	School			District			State		
	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12	2009-10	2010-11	2011-12

Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Richmond College Prep provides staff with at least 7 full days of professional development in the beginning of the school year. During the school year we also have additional trainings such as ELD Instruction, I-Ready computer assisted instruction as well as weekly Instructional Development meetings with the Academic Dean. Throughout the school year staff meets at least every month to discuss issues of merit in the academic and day to day environment of the school.

Last updated: 1/31/2014
