Library

Each class has an assigned weekly library time. If you would like to volunteer in the library, please contact Mr. Jose Chang, our librarian. If you have books or materials that are age-appropriate that you would like to donate, please see Ms. Laura Viveros in the school office.

The Scholastic Book Fair helps us to raise money for new library materials. The Scholastic Book Fair is held in the fall and in the spring. Please see the school calendar for exact dates.

Restrooms

Students need permission from their teacher to use the restrooms. **Students are not allowed to use the faculty restrooms, and adults are not allowed to use the student restrooms.** Students are encouraged to use the restrooms during recess, rather than during class instruction periods.

Cleanliness

Although RCP has dedicated custodial support at the school each day, it is important that your child helps keep the school, bathrooms, dining hall, and the schoolyard as clean as possible. We want to show respect for our school and school community.

Child Abuse Reporting Law

In California, certain professionals are required by law to report known or suspected child abuse (California Penal Code Sections 11165-11174). All staff members are considered "mandated reporters" of child abuse. Mandated reporters must file a report when the victim is a child under the age of 18.

General Complaint Procedure

Parents and staff must work closely together to provide a healthy and nurturing environment for our children. Dealing with problems effectively is part of "good" parenting and "good" teaching. Communication between the home and school are essential to the development of healthy, happy children.

If you have a concern about your child or worry about your child's care, please discuss it with your child's teacher immediately. Do not let the problem grow. The teacher will work with you to resolve the problem.

The following is a formal dispute resolution policy adopted by the RES Governing Board. We ask that parents, staff, and students utilize this policy if they feel that their concerns have not been resolved.

This dispute resolution process provides parents, students, and volunteers who have a grievance concerning the school with a procedure to follow to have the grievance heard by an administrator or principal and if it cannot be resolved at this level, to have it heard by the governing board at a regularly scheduled board meeting.

Misunderstandings and problems arise from time to time in any situation. Differences of opinion will exist. RCP intends for the school environment to be a safe and supportive environment for students, teachers, staff, and parents. We are committed to creating an honest and open atmosphere in which any problem, complaint, suggestion, or question receives a timely and respectful response. It is requested that all parties conduct themselves in a congenial manner and communicate with each other with mutual respect at all times.

A grievance is defined as any feeling of dissatisfaction or injustice in connection with any matter related to the program, school, or staffing. Any grievance should be brought to the attention of the respective party as soon as possible with the intention to resolve the issue. If it cannot be resolved at this level, then an appointment should be made with an administrator to attempt further resolution.

If a parent disagrees with the established rules on conduct, policies, procedures, or practice, he/she can express this concern directly to the CEO. No parent or employee will be penalized, formally or informally, for voicing a grievance or complaint with RCP in a reasonable, business-like manner, or for using this dispute resolution process.

The CEO is the official representative between parents and the governing board. S/he or any administrator is accessible and ready to hear suggestions, concerns, and complaints. RCP cannot act on any problem unless it is aware of it, so we request that grievances be brought to the appropriate party as soon as possible.

While not every problem may be resolved to all parties' complete satisfaction, an effort is made on behalf of RCP and its staff to bring resolution to any problem. This is only possible through both parties' willingness to listen, attempt to understand, and exploration of all aspects of the issue at hand. Through this process, parents, teachers, and management are able to develop confidence in each other. This confidence is important to the smooth, effective operation of RCP and directly benefits the students. RCP strives to provide such an atmosphere at all times. Parents are encouraged to offer positive and constructive criticism and to take the following steps if they believe they have dissatisfaction, if they believe that an injustice has occurred, or if they believe that a decision affecting them or their student is unjust or inequitable:

1. When a problem first arises, the grievant should discuss the matter with the respective party as soon as possible.
2. If they are unable to resolve the issue at this level, the grievant should then contact the supervisor of the employee to make an appointment to discuss the issue as soon as possible.
3. If the problem cannot be resolved informally by the employee's supervisor through discussion or meeting, the grievance shall be reduced to writing by the grievant and submitted to the CEO. The grievant should specify the problem to the fullest extent possible and any remedies sought. The request for this meeting will be written and will include any and all documentation related to the grievance, along with any solutions that have been proposed by the grievant, an administrator, and any other related parties. The request for the meeting is to be delivered to the CEO who, unless sick or out of town, will meet with the grievant within ten (10) working days of receiving the written request.
4. Following any necessary investigation, the CEO shall prepare a written response to the grievant no later than ten (10) working days from the date of the meeting unless additional time is required for the response.
5. If the matter cannot be resolved at the CEO level, the grievant may request to have the matter properly placed upon the agenda for the next regularly scheduled board meeting. All applicable laws of the Ralph M. Brown Act will apply.
6. The governing board and the CEO will set a date and time for the hearing of any evidence to be presented concerning the grievance. At the hearing, the grievant and a representative of RCP shall have the opportunity to present evidence, both oral and written. Within three (3) working days from the date

of the hearing, the board and CEO shall make a decision on the grievance in writing. This decision will serve as the final decision of RCP.

Non-Discrimination Statement

The Charter School does not discriminate against any person on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, pregnancy, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

The Charter School adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA").

The Charter School does not discourage students from enrolling or seeking to enroll in the Charter School for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. The Charter School shall not encourage a student currently attending Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the Charter School's charter and relevant policies.

The Charter School does not request nor require student records prior to a student's enrollment.

The Charter School shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over of the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

The Charter School is committed to providing an educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). The Charter School also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance

or regulation. The Charter School does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which the Charter School does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. The Charter School will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the Charter School Uniform Complaint Procedures (“UCP”) Compliance Officer:

Diana Gurrola-Ramirez
Director of Upper Elementary
1014 Florida Ave., Richmond, CA 94804
510-235-2066 X200

The lack of English language skills will not be a barrier to admission or participation in the Charter School’s programs or activities. The Charter School prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

Involuntary Removal Process

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action (“Involuntary Removal Notice”). The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student’s basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School’s expulsion procedures. If the student’s parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School’s suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or

youth or a homeless child or youth, the student's educational rights holder, and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If the parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the student will be disenrolled effective the date of the hearing.

If, as a result of the hearing, the student is disenrolled, notice will be sent to the student's last known school district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

Universal School Meals

The Charter School participates in the National School Lunch Program. Commencing with the 2022-23 school year, the Charter School shall provide two (2) nutritionally adequate meals to each student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one (1) free meal per meal service (breakfast and lunch) each school day.

Applications for school meals are included in the first day packets to all families and can also be obtained on the Charter School website and in the main office. All families are encouraged to complete the application form. Completed application forms can be returned to the main office.

A copy of the complete Policy is available upon request at the main office. The Charter School also maintains a School Wellness Policy pursuant to state and federal requirements.

All breakfast, lunch, and snacks are provided by **Lunch Master**. Lunch Master complies with the nutritional standards established by the United States Department of Agriculture (USDA).

We are a healthy, peanut-free school. If families would like to send their students to school with a packed lunch/snack, the following guidelines must be followed:

- No dessert food: cakes, cupcakes, pies, or candy
- No chips or sunflower seeds
- Water, milk, or 100% Juice beverages ONLY
- Students are unable to get food reheated

- Students are unable to use the office phone during school hours to request food from home

Before and After-School

Breakfast begins at 7:30 am and ends at 8:00 am.

Lunch: Students will eat lunch in the Dining Hall (cafeteria) or their classrooms. We provide healthy lunches. Each child is responsible to keep their lunch area clean and to use the garbage cans provided.

Snacks: Snacks are also provided daily before the students attend the After School program.

For Celebrations: In an effort to reduce chronic disease, in March 1993, the Contra Costa County Board of Supervisors adopted the Contra Costa County Food policy developed by the Contra Costa Food and Nutrition Policy Consortium. Richmond College Prep Schools subscribes to the policy, which states that food at all school-sanctioned events shall include choices that meet the U.S. Dietary Guidelines. Whenever food is served or provided through food assistance programs, it must reflect the current standard of good nutrition. Sweets (cake, cookies, candy) are to be avoided and healthy snacks provided. Rubber gloves must be worn by anyone serving food to students, whether the food handler is a staff person, parent, volunteer or visitor.

Any food that parents bring to school for parties must be nutritious, like fruits and vegetables. The guidelines listed above must be followed.

Allergies or Special Food Needs

Parents are required to provide information to the school if their student(s) has a need for special food substitutes (including milk products) due to allergies or other medical related conditions, as well as, students who may have religious restrictions to consume certain types of food. This information must be reported to Ms. Laura Viveros at the time the student is enrolled and/or if the parent fills out an application for the food program.

Bake Sales: At various times throughout the year, classes offer bake sales after school to raise money for school events or charity. Information about upcoming bake sales will be posted throughout the school. RCP aims to have only healthy food options for sale during those times.

Instructional Program

Availability of Prospectus

Upon request, the Charter School will make available to any parent or legal guardian, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

State Testing

The Charter School shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress ["CAASPP"].) Notwithstanding any other provision of law, a parent's or guardian's written request to Charter School officials to excuse their child from any or all parts of the CAASPP shall be granted. Upon request, parents have a right to information on the level of achievement of their student on every State academic assessment administered to the student.

California Healthy Kids Survey

The Charter School will administer the California Healthy Kids Survey ("CHKS") to students at grades five, seven, nine, and eleven whose parent or guardian provides written permission. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables the Charter School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Surveys About Personal Beliefs

Unless the student's parent/guardian gives written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student's, or the student's parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

Teacher Qualification Information

As the Charter School receives Title I federal funds through the Elementary and Secondary Education Act ("ESEA"), as reauthorized and amended by the Every Student Succeeds Act ("ESSA"), all parents/guardians of students attending the Charter School may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

1. Whether the student's teacher:
 - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, the Charter School will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Director at:

Diana Gurrola-Ramirez
Director of Upper Elementary
1014 Florida Ave., Richmond, CA 94804
510-235-2066 X200

Sexual Health Education

The Charter School offers comprehensive sexual health education to its students in grades 7-8. A parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent ("opt-out") process. The Charter School does not require active parental consent ("opt-in") for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants.

When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:

- o The date of the instruction
- o The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure students' health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grades 7-12. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks if the Charter School has received a written request from the student's parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Animal Dissections

Students at the Charter School may perform animal dissections as part of the science curriculum. Any student who provides their teacher with a written statement, signed by their parent/guardian, specifying the student's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the student. It shall not, as a means of penalizing the student, be more arduous than the original education project. The student shall not be discriminated against based upon their moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Attendance Policy

It is the intent of the Governing Board ("Board") of Richmond College Prep Elementary Charter School ("RCP" or the "Charter School") to ensure that students attend school every day on time. Consistent school attendance is critical to school success. Being present for classroom instructional time is essential for students to reach their goals and achieve their dreams. Chronic absenteeism has been linked to an increased likelihood of poor academic performance, disengagement from school and behavior problems.

Definitions

- "*Tardy*": RCP starts promptly at 8:15 am. Students shall be classified as tardy if the student arrives after that time. Frequent tardiness and absences result in academic failure for the student and create a disruption to the classroom environment. Please bring your child to school every day and on time.
- "*Unexcused Absence*": A student shall have an unexcused absence if the student is absent or is tardy for more than thirty (30) minutes without a valid excuse.
- "*Truant*": A student shall be classified as a truant if the student is absent from school without a valid excuse three (3) full days in one school year, or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on three (3) occasions in one school year, or any combination thereof. Any student who has once been reported as a truant and who is again absent from school without valid excuse one or more days, or tardy on one or more days, shall again be deemed a truant. Such students shall be reported to the Director or designee.

This generally occurs when the student is absent from school without a valid excuse for five (5) full days in one school year or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on five (5) occasions in one school year, or any combination thereof.
- "*Chronic Truant*": A student shall be classified as a chronic truant if the student is absent from school without a valid excuse for ten (10) percent or more of the school days in one school year, from the date of enrollment to the current date.
- "*School Attendance Review Team ("SART")*": The SART panel will be composed of Family and Community Engagement Corrdinatore, Director of Upper Elementary or Director of Lower Elementary, Attendance Clerk, and Director of

Operations. The SART panel will discuss the absence problem with the student's parent/guardian to work on solutions, develop strategies, discuss appropriate support services for the student and student's family, and establish a plan to resolve the attendance issue.

1. The SART panel shall direct the parent/guardian that no further unexcused absences or tardies can be tolerated.
2. The parent/guardian shall be required to sign a contract formalizing the agreement by the parent/guardian to improve the child's attendance or face additional administrative action. The contract will identify the corrective actions required in the future, and indicate that the SART panel shall have the authority to order one or more of the following consequences for non-compliance with the terms of the contract:
 - a. Parent/guardian to attend school with the child for one day
 - b. Student retention
 - c. After school detention program
 - d. Required school counseling
 - e. Loss of field trip privileges
 - f. Loss of school store privileges
 - g. Loss of school event privileges
 - h. Mandatory Saturday school
 - i. Required remediation plan as set by the SART

- **All Absences require a note** – When your child is absent, you must send him or her back to school with a note signed by you. The note should include your child’s name, the current date and date(s) of the absence(s), the reason for the absence(s) and your current contact information (home, work, cell phone number).
- **If your child is absent three (3) or more consecutive days, a doctor’s note is required.** If your child is sick and will be out of school indefinitely, please speak with the school administration and if instructed, ask for an Independent Study form from the school.

Tardiness: Students will be marked tardy if they arrive after 8:15 am. If your child is going to be late more than 30 minutes, you must call the school before 8:15 am and inform the school of the situation It is important to communicate with the school before arriving in order to prepare for attendance and lunch. Students who arrive after 8:15 am must be signed in to the school by an adult (18 years or older) for an admit slip.

Attendance Incentive for Students: At the end of each month, the DSC will notify each teacher of students with perfect attendance and with two or less tardies for that month. Those students will receive a bracelet that says “Perfect Attendance,” and they will receive an extra recess on the date scheduled by the DSC.

Closing Time/Late Pick-Up Policy:

Regular day classes end at 3:00 pm and After School Program classes end at 5:55 pm. The entire after-school program ends at 6:00 pm.

Transitional Kindergarten – 1st grade students must be picked up at 3:00 pm.

2nd – 8th grade students must be picked up by 6:00 pm. Any student without an after-school application on file must be picked up at 3:00 pm.

If a parent is late and the staff is not notified, every effort will be made to find an authorized person to pick up the student. If no one can be located after 30 minutes of the school being closed, the child may be taken to the Police Department. A note will be posted on the front door of the school to let the parent know where the child can be located after the school has closed.

The following procedures are implemented for late pick up in the After-School Program:

First Time: The staff will verbally inform the parent of the importance of picking up their child on time. This will be documented in the child’s file at the school.

Second Time: When the child is picked up, the staff will give a late pickup a notice to the parent. A copy will be kept in the child's file at the school.

Third Time: The child will be suspended from the After School Program for two weeks and this will be documented in the child's file, if after the suspension there are any more late pickups, the child will no longer be able to attend the after-school program.

Medical or Dental Appointments: Please schedule medical or dental appointments after school or on the weekends, whenever possible. If you know in advance that your child will be leaving school, please send a note to your child's teacher. Try to arrange appointments at a time that is the least disruptive for learning. At the appointment, please have your doctor or dentist sign a note that includes the child's name, the date and time of the appointment. Return the note to the school office. Don't forget to sign your child back into school after the appointment.

Leaving School Early: If your child must leave school early, for a medical or dental appointment, for example, you must report to the school office to sign your child out of school. **Your child will only be released to a parent or guardian or designee (18 years of age or older) listed on your child's Emergency Card** in the office. Please do not pick your child up directly from the classroom.

Attendance Protocol/ Process for Addressing Truancy:

1. Each of the first two (2) unexcused absences or unexcused tardies over 30 minutes will result in a call home to the parent/guardian by the Attendance Clerk. The student's classroom teacher may also call home.
2. Each of the third (3rd) and fourth (4th) unexcused absences or unexcused tardies over 30 minutes will result in a call home to the parent/guardian by the ("DCS") or designee. In addition, the student's classroom teacher may also call home and/or the Charter School may send the parent an e-mail notification. In addition, upon reaching three (3) unexcused absences or unexcused tardies over 30 minutes in a school year, the parent/guardian will receive "**Truancy Letter #1 – Truancy Classification Notice**" from the Charter School notifying the parent/guardian of the student's "Truant" status. This letter must be signed by the parent/guardian and returned to the Charter School. This letter shall also be accompanied by a copy of this Attendance Policy. This letter, and all subsequent letter(s) sent home, shall be sent by Certified Mail, return receipt requested, or some other form of mail that can be tracked. This letter shall be re-sent after a fourth (4th) unexcused absence.
3. Upon reaching five (5) unexcused absences or unexcused tardies over 30 minutes, the parent/guardian will receive "**Truancy Letter #2 – Habitual Truant Classification Notice and Conference Request**," notifying the

parent/guardian of the student's "Habitual Truant" status and a parent/guardian conference will be scheduled to review the student's records and develop an intervention plan/contract. In addition, the Charter School will consult with a school counselor regarding the appropriateness of a home visitation and/or case management.

4. Upon reaching six (6) unexcused absences or unexcused tardies over 30 minutes, the parent/guardian will receive a "**Truancy Letter #3 – Referral to SART Meeting**" and the student will be referred to a Student Success Team (SST) and the SART.
5. If the conditions of the SART contract are not met, the student may incur additional administrative action up to and including disenrollment from the Charter School, consistent with the Involuntary Removal Process described below. If the student is disenrolled after the Involuntary Removal Process has been followed, notification will be sent within thirty (30) days to the student's last known school district of residence.
6. For all communications set forth in this process, the Charter School will use the contact information provided by the parent/guardian in the registration packet. It is the parent's or guardian's responsibility to update the Charter School with any new contact information.
7. If a student is absent ten (10) or more consecutive school days without valid excuse and the student's parent/guardian cannot be reached at the number or address provided in the registration packet and does not otherwise respond to the Charter School's communication attempts, as set forth above, the student will be in violation of the SART contract, and the SART panel will recommend that the student be disenrolled in compliance with the Involuntary Removal Process described below. The Involuntary Removal Process can be started immediately upon the Charter School receiving documentation of the student's enrollment and attendance at another public or private school (i.e., a CALPADS report).

Process for Students Who Are Not in Attendance at the Beginning of the School Year

When a student is not in attendance on the first five (5) days of the school year, the Charter School will attempt to reach the student's parent/guardian on a daily basis for each of the first five (5) days to determine whether the student has an excused absence, consistent with the process outlined in this policy. If the student has a basis for an excused absence, the student's parent/guardian must notify the Charter School of the absence and provide documentation consistent with this policy. However, consistent with process below, students who are not in attendance by the sixth (6th) day of the school year due to an unexcused absence will be disenrolled from the Charter School roster after following the Involuntary Removal Process described below, as it will be assumed that the student has chosen another school option.

1. Students who are not in attendance on the first (1st) day of the school year will be contacted by phone to ensure their intent to enroll in the Charter School.
2. Students who have indicated their intent to enroll but have not attended by the third (3rd) day of the school year and do not have an excused absence **will receive a letter** indicating the student's risk of disenrollment.
3. Students who have indicated their intent to enroll but have not attended by the fifth (5th) day of the school year and do not have an excused absence will receive a phone call reiterating the content of the letter.
4. Students who are not in attendance by the sixth (6th) day of the school year and do not have an excused absence will receive an **Involuntary Removal Notice** and the CDE Enrollment Complaint Notice and Form. The Charter School will follow the Involuntary Removal Process described below, which includes an additional five (5) schooldays for the parent/guardian to respond to the Charter School and request a hearing before disenrollment.
5. The Involuntary Removal Process can be started immediately upon the Charter School receiving documentation of the student's enrollment and attendance at another public or private school (i.e., a CALPADS report).
6. The Charter School will use the contact information provided by the parent/guardian in the registration packet.
7. Within thirty (30) calendar days of disenrollment, the Charter School will send the student's last known school district of residence **a letter** notifying it of the student's failure to attend the Charter School.

Involuntary Removal Process

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of the Charter School's intent to remove the student (**"Involuntary Removal Notice"**). The Involuntary Removal Notice must be provided to the parent or guardian no less than five (5) schooldays before the effective date of the proposed disenrollment date.

The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include:

1. The charges against the student
2. An explanation of the student's basic rights including the right to request a hearing before the effective date of the action
3. The CDE Enrollment Complaint Notice and Form

The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon a parent's or guardian's request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing, the student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known school district of residence within thirty (30) calendar days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

Referral to Appropriate Agencies or County District Attorney

It is the Charter School's intent to identify and remove all barriers to the student's success, and the Charter School will explore every possible option to address student attendance issues with the family. For any unexcused absence, the Charter School may refer the family to appropriate school-based and/or social service agencies.

If a student's attendance does not improve after a SART contract has been developed according to the procedures above, or if the parents/guardians fail to attend a required SART meeting, the Charter School shall notify the County District Attorney's office, which then may refer the matter for prosecution through the court system. Students twelve (12) years of age and older may be referred to the juvenile court for adjudication.

Non-Discrimination

These policies will be enforced fairly, uniformly, and consistently without regard to the characteristics listed in Education Code section 220 (actual or perceived disability,

gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Penal Code section 422.55, including immigration status, pregnancy, or association with an individual who has any of the aforementioned characteristics).

Reports

The Director, or designee, shall gather and report to the Board the number of absences both excused and unexcused as well as students who are truant, and the steps taken to remedy the problem.

Student Health & Safety

Emergency Contact Card

The school maintains an Emergency Contact Card for each student. This is the ONLY source of information that the School uses to contact a responsible adult in the event of an accident, illness or other emergencies. New cards are sent home at the beginning of the school year to allow parents to update the information on file.

Please ***notify the School in writing of any changes to this information*** during the year.

Please help your child memorize emergency contact numbers. If you are unable to pick up your child due to unforeseen circumstances, call our office, Ms. Laura Viveros (TK-1st grade) or Ms. Rosa Gonzalez (2nd-8th grade) at (510) 235-2066, so she can inform your child of who the other responsible adult (18 years of age or older) will be picking he/she up. ***Please remember, only those listed on your emergency card, who are at least 18 years of age or older, can pick up your child from the school.***

Medications

Any student who is or may be required to take, during the regular schoolday, prescription medication prescribed or ordered for the student by an authorized health care provider may be assisted by Ms. Laura Viveros (TK-1st grade) or Ms. Rosa Gonzalez (2nd-8th grade) or designated Charter School personnel.

In order for a student to be assisted by Ms. Laura Viveros (TK-1st grade) or Ms. Rosa Gonzalez (2nd-8th grade) or other designated Charter School personnel in administering medication, Charter School shall obtain both:

1. A written statement from the student's authorized health care provider detailing the name of the medication, method, amount/dosage, and time schedules by which the medication is to be taken, and
2. A written statement from the parent, foster parent, or guardian of the student indicating the desire that RCP assist the student in the matters set forth in the statement of the authorized health care provider.

These written statements specified shall be provided at least annually and more frequently if the medication, dosage/amount, frequency of administration, or reason for administration changes.

Students will be permitted to self-carry and self-administer auto-injectable epinephrine (“EpiPen”) and inhaled asthma medication. In order to carry and self-administer this medication, RCP must receive the following:

1. A written statement from the student’s authorized health care provider (1) detailing the name of the medication, method, dosage/amount, and time schedules by which the medication is to be taken, and (2) confirming that the student is able to self-administer an EpiPen or inhaled asthma medication, and
2. A written statement from the parent, foster parent, or guardian of the student (1) consenting to the self-administration, (2) providing a release for the Ms. Laura Viveros (TK-1st grade) or Ms. Rosa Gonzalez (2nd-8th grade) or designated Charter School personnel to consult with the health care provider of the student regarding any questions that may arise with regard to the medication, and (3) releasing RCP and Charter School personnel from civil liability if the self-administering student suffers an adverse reaction as a result of self-administering medication.

Communicable Diseases

Cases of communicable diseases, such as chicken pox, should be reported immediately to the school office so that other parents may be alerted. Occurrences of head lice, which develop in spite of good personal hygiene, should also be reported so that other parents may be alerted.

To Send or Not to Send: Please use good judgment in determining whether your child is well enough to attend school, remembering that above normal temperatures, runny noses, and persistent coughs are often indications that your child is not well and might be contagious. Do not send your child to school with untreated head lice, if they have recently vomited, have diarrhea, or have had a fever within 24 hours.

Emergency Preparedness

Emergency Preparedness: The School has an emergency plan in case of an earthquake or other disasters. The school will be equipped with basic medical supplies and water for three days.

Shelter in Place: Contra Costa County has a system of warning residents of potential emergency situations where the air may be unsafe to breathe due to industrial accidents or potential emergency situations. Shelter in Place may also be utilized as a lockdown for the RCP campus in the event that an unsafe or suspicious person is in the vicinity of the school. When RCP is alerted through safety sirens or other means, school personnel will proceed as follows:

-Students will be immediately escorted indoors.

- All doors and windows will be locked.
- All heaters, fans, and air conditioners will be turned off.
- Vents to outside air will be closed or covered.
- Cracks around doors and windows will be sealed with tape or damp towels.
- School personnel will tune radios to KCBS 740 AM for further information.

DO NOT ATTEMPT TO PICK UP YOUR CHILD FROM THE K-6 CHARTER SCHOOL WHEN WE ARE IN SHELTER IN PLACE MODE. WE CANNOT RELEASE YOUR CHILD UNTIL THE HEALTH DEPARTMENT HAS DETERMINED THAT IT IS SAFE.

School Safety Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the main office.

Immunizations

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming students. Verification of immunizations will be completed with written medical records from the child’s doctor or immunization clinic. To ensure a safe learning environment for all students, the Charter School follows and abides by the health standards set forth by the state of California. The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from attendance until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the Charter School.

These required immunizations include:

Mental Health Services

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness,

incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources are available to your child:

Oral Health Assessment

Students enrolled in kindergarten in a public school or while enrolled in first grade if the student was not previously enrolled in kindergarten in a public school are required to have an oral health assessment completed by a dental professional. Please contact the main office if you have questions about this requirement.

Physical Examinations and Right to Refuse

All students must complete a health screening examination on or before the 90th day after the student's entrance into first grade or such students must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to students enrolled in kindergarten. If your child's medical status changes, please provide the teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in the Charter School may file annually with Ms. Laura Viveros (TK-1st grade) or Ms. Rosa Gonzalez (2nd-8th grade) a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

Pregnant and Parenting Students

The Charter School recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. The Charter School will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting student may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the student to be able to complete any graduation requirements, unless the Charter School determines that the student is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the student's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Diana Gurrola-Ramirez
Director of Upper Elementary
1014 Florida Ave., Richmond, CA 94804
510-235-2066 X200

A copy of the UCP is available upon request at the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Director.

1. A description of type 2 diabetes.
2. A description of the risk factors and warning signs associated with type 2 diabetes.

school, pursuant to Education Code Section 49452.6. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 1 diabetes.
2. A description of the risk factors and warning signs associated with type 1 diabetes.

4. A description of the screening process for type 1 diabetes and the implications of test results.
5. A recommendation that, following a type 1 diagnosis, parents or guardians should consult with the pupil's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist.

A copy of the information sheet regarding type 1 diabetes will be made available by the CDE on the CDE website. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

School Bus and Passenger Safety

All students who are transported in a schoolbus or school student activity bus shall receive instruction in school bus emergency procedures and passenger safety. A copy of the complete Policy is available upon request at the main office.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. The Charter School believes it is a priority to inform our students about (1) the prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, the Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available at the main office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's main office for your review.

Campus Search and Seizure

The Charter School recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or Charter School rules and regulations, jeopardizes the health, safety and welfare of students and Charter School employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, Charter School has adopted a Policy outlining the reasonable search of students and their property, student use areas, and/or student desks and the seizure of illegal, unsafe, unauthorized or contraband items and materials through a search based upon reasonable suspicion.

Student desks are school property and remain at all times under the control of the Charter School. Students shall assume full responsibility for the security of their desks. Student desks may not be used to store illegal, unauthorized, or contraband materials. The acceptance and use of student desks on school campus by any student shall constitute consent by the student to the search of such facilities by authorized school personnel and/or law enforcement. Inspections of student desks may be conducted by school personnel and/or law enforcement through the use of trained dogs.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An emergency is any *situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device.* If the Charter School has a good faith belief that the device is lost, stolen, or abandoned, the Charter School may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

The Charter School is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of Charter School rules or regulations.

Sudden Cardiac Arrest Prevention and Automated External Defibrillators

The Charter School is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest ("SCA") is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at the Charter School must review the information sheet on sudden cardiac arrest via the following link: <https://www.cdc.gov/dhdsp/docs/cardiac-arrest-infographic.pdf>

Opioid Information Sheet

The Charter School annually provides each athlete with an Opioid Factsheet for Patients published by the Centers for Disease Control and Prevention. The athlete and, if the athlete is 17 years of age or younger, the athlete's parent or guardian shall sign a document acknowledging receipt of the Opioid Factsheet for Patients and return that document to the Charter School before the athlete initiates practice or competition. The fact sheet is available at:

<https://www.cdc.gov/drugoverdose/pdf/AHA-Patient-Opioid-Factsheet-a.pdf>

Concussion/Head Injuries

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because the Charter School has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until the athlete is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

Youth Suicide Prevention Policy

Introduction

California *Education Code (EC)* Section 215, as added by Assembly Bill 2246, (Chapter 642, Statutes of 2016) mandates that the Governing Board of any local educational agency (LEA) that serves pupils in grades seven to twelve, inclusive, adopt a policy on pupil suicide prevention, intervention, and postvention. The policy shall specifically address the needs of high-risk groups, including suicide awareness and prevention training for teachers, and ensure that a school employee acts within the authorization and scope of the employee's credential or license.

For more information on AB 2246 Pupil Suicide Prevention Policies, go to the California Legislative Information Web page at https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201520160AB2246.

For resources regarding youth suicide prevention, go to the State Superintendent of Public Instruction (SSPI) letter regarding Suicide Prevention Awareness Month on the California Department of Education (CDE) Web page at <http://www.cde.ca.gov/nr/el/le/yr16ltr0901.asp> and the Directing Change For Schools Web page at <http://www.directingchange.org/schools/>.

Additionally, the CDE encourages each LEA to work closely with their county behavioral health department to identify and access resources at the local level.

This Policy applies to all students in grades K-12, inclusive. Students in earlier grades are also known to consider, attempt, and die by suicide—which is also a leading cause of death among ten to twelve-year-olds. Research demonstrates that suicidal ideation may start as early as preschool (however, suicide deaths are very rare among children nine years of age and younger). Although elementary and private schools are not legally required to adhere to AB 2246, they may want to consult with their legal staff about the advisability of adopting such a policy.

Richmond College Prep Youth Suicide Prevention Policy

The Governing Board of Richmond College Prep (“RCP” of “Charter School”) recognizes that suicide is a leading cause of death among youth and that an even greater amount of youth consider (17 percent of high school students) and attempt suicide (over 8 percent of high school students) (Centers for Disease Control and Prevention, 2015).

The possibility of suicide and suicidal ideation requires vigilant attention from our school staff. As a result, we are ethically and legally responsible for providing an appropriate and timely response in preventing suicidal ideation, attempts, and deaths. We also must work to create a safe and nurturing campus that minimizes suicidal ideation in students.

Recognizing that it is the duty of the charter school and schools to protect the health, safety, and welfare of its students, this policy aims to safeguard students and staff against suicide attempts, deaths and other trauma associated with suicide, including ensuring adequate supports for students, staff, and families affected by suicide attempts and loss. As it is known that the emotional wellness of students greatly impacts school attendance and educational success, this policy shall be paired with other policies that support the emotional and behavioral wellness of students.

This policy is based on research and best practices in suicide prevention, and has been adopted with the understanding that suicide prevention activities decrease suicide risk, increase help-seeking behavior, identify those at risk of suicide, and decrease suicidal behaviors. Empirical evidence refutes a common belief that talking about suicide can increase risk or “place the idea in someone’s mind.”

In an attempt to reduce suicidal behavior and its impact on students and families, our counselor and Family and Community Engagement Coordinator shall develop strategies for suicide prevention, intervention, and postvention, and the identification of the mental health challenges frequently associated with suicidal thinking and behavior. These strategies shall include professional development for all school personnel in all job categories who regularly interact with students or are in a position to recognize the risk factors and warning signs of suicide, including substitute teachers, volunteers, expanded learning staff (after school), and other individuals in regular contact with students such as crossing guards, tutors, and coaches.

Our counselor and Family and Community Engagement Coordinator shall develop and implement preventive strategies and intervention procedures that include the following:

Overall Strategic Plan for Suicide Prevention

Our counselor and Family and Community Engagement Coordinator shall involve school-employed mental health professionals (e.g., school counselors, psychologists,

social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, law enforcement, and community organizations in planning, implementing, and evaluating the charter school's strategies for suicide prevention and intervention. charter school will work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, the charter school shall appoint an individual (or team) to serve as the suicide prevention point of contact for the charter school. In addition, each school shall identify at least one staff member to serve as the liaison to the charter school's suicide prevention point of contact, and coordinate and implement suicide prevention activities on their specific campus. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Resources:

- The K-12 Toolkit for Mental Health Promotion and Suicide Prevention has been created to help schools comply with and implement AB 2246, the Pupil Suicide Prevention Policies. The Toolkit includes resources for schools as they promote youth mental wellness, intervene in a mental health crisis, and support members of a school community after the loss of someone to suicide.

Additional information about this Toolkit for schools can be accessed on the Heard Alliance Web site at <http://www.heardalliance.org/>.

Prevention

A. Messaging about Suicide Prevention

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, Richmond College Prep, along with its partners, has critically reviewed and will continue to review all materials and resources used in awareness efforts to ensure they align with best practices for safe messaging about suicide.

Resources:

- For information on public messaging on suicide prevention, see the National Action Alliance for Suicide Prevention Web site at <http://suicidepreventionmessaging.actionallianceforsuicideprevention.org/>

B. Suicide Prevention Training and Education

Richmond College Prep, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members and other adults on campus (including substitutes and intermittent staff, volunteers, interns, tutors, coaches, and expanded learning [afterschool] staff).

Training:

- At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
- All suicide prevention training shall be offered under the direction of school-employed mental health professionals (e.g., school counselors, psychologists, or social workers) who have received advanced training specific to suicide and may benefit from collaboration with one or more county and/or community mental health agencies. Staff training can be adjusted year-to-year based on previous professional development activities and emerging best practices.
- At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment. Previously employed staff members shall attend a minimum of one-hour general suicide prevention training. Core components of the general suicide prevention training shall include:
 - o Suicide risk factors, warning signs, and protective factors;
 - o How to talk with a student about thoughts of suicide;
 - o How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment;
 - o Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member;

- o Emphasis on reducing the stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide;
- In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff should include the following components:
 - o The impact of traumatic stress on emotional and mental health;
 - o Common misconceptions about suicide;
 - o School and community suicide prevention resources;
 - o Appropriate messaging about suicide (correct terminology, safe messaging guidelines);
 - o The factors associated with suicide (risk factors, warning signs, protective factors);
 - o How to identify youth who may be at risk of suicide;
 - o Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on charter school guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on charter school guidelines;
 - o Charter school-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed;
 - o Charter school-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention);
 - o Responding after a suicide occurs (suicide postvention);
 - o Resources regarding youth suicide prevention;
 - o Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide;
 - o The emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

- The professional development also shall include additional information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - Youth affected by suicide;
 - Youth with a history of suicide ideation or attempts;
 - Youth with disabilities, mental illness, or substance abuse disorders;
 - Lesbian, gay, bisexual, transgender, or questioning youth;
 - Youth experiencing homelessness or in out-of-home settings, such as foster care;
 - Youth who have suffered traumatic experiences;
 - Youth who have suffered intense bullying;

C. Employee Qualifications and Scope of Services

Employees of Richmond College Prep and their partners must act only within the authorization and scope of their credentials or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs and to prevent the immediate risk of suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

D. Specialized Staff Training (Assessment)

Additional professional development in suicide risk assessment and crisis intervention shall be provided to mental health professionals (school counselors, psychologists, social workers, and nurses) employed by Richmond College Prep.

Resource:

- Assessing and Managing Suicide Risk (AMSR) is a one-day training workshop for behavioral health professionals based on the latest research and designed to help participants provide safer suicide care. See the Suicide Prevention Resource Center Web page at <http://www.sprc.org/training-events/amsr>

E. Parents, Guardians, and Caregivers Participation and Education

- To the extent possible, parents/guardians/caregivers should be included in all suicide prevention efforts. At a minimum, schools shall share with parents/guardians/caregivers the Richmond College Prep suicide prevention policy and procedures.
- This suicide prevention policy shall be prominently displayed on the Richmond College Prep Web page and included in the parent handbook.
- Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.
- All parents/guardians/caregivers should have access to suicide prevention training that addresses the following:
 - Suicide risk factors, warning signs, and protective factors;
 - How to talk with a student about thoughts of suicide;
 - How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

F. Student Participation and Education

Richmond College Prep, along with its partners, has carefully reviewed available student curricula to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Under the supervision of school-employed mental health professionals, and following consultation with county and community mental health agencies, students shall:

- Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress;
- Receive developmentally appropriate guidance regarding the charter school's suicide prevention, intervention, and referral procedures.

- The content of the education shall include:
 - Coping strategies for dealing with stress and trauma;
 - How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others;
 - Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help;
 - Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, freshman orientation classes, science, and physical education).

The Richmond College Prep will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention.

Intervention, Assessment, Referral

A. Staff

Our counselor and Family and Community Engagement Coordinator have received advanced training in suicide intervention and shall be designated as the primary and secondary suicide prevention liaisons. Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

- Under normal circumstances, the primary and/or secondary contact persons shall notify the principal, another school administrator, school psychologist or school counselor, if different from the primary and secondary contact persons. The names, titles, and contact information of multi-disciplinary crisis team members shall be distributed to all students, staff, parents/guardians/caregivers and be prominently available on school and charter school Web sites.

The principal, another school administrator, school counselor, school psychologist, social worker, or nurse shall then notify, if appropriate and in the best interest of the student, the student's parents/guardians/caregivers as soon as possible and shall refer the student to mental health resources in the school or community. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

If the student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

- Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary or secondary suicide prevention liaisons.
- Students experiencing suicidal ideation shall not be left unsupervised.
- A referral process should be prominently disseminated to all staff members, so they know how to respond to a crisis and are knowledgeable about the school and community-based resources.

- The Superintendent or Designee shall establish crisis intervention procedures to ensure student safety and appropriate communications if a suicide occurs or an attempt is made by a student or adult on campus or at a school-sponsored activity.

B. Parents, Guardians, and Caregivers

A referral process should be prominently disseminated to all parents/guardians/caregivers, so they know how to respond to a crisis and are knowledgeable about the school and community-based resources, and can coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. .

C. Students

Students shall be encouraged to notify a staff member when they are experiencing emotional distress or suicidal ideation, or when they suspect or have knowledge of another student's emotional distress, suicidal ideation, or attempt.

D. Parental Notification and Involvement

Each school within the Richmond College Prep shall identify a process to ensure continuing care for the student identified to be at risk of suicide. The following steps should be followed to ensure continuity of care:

- After a referral is made for a student, school staff shall verify with the parent/guardian/caregiver that follow-up treatment has been accessed. Parents/guardians/caregivers will be required to provide documentation of care for the student.
- If parents/guardians/caregivers refuse or neglect to access treatment for a student who has been identified to be at-risk for suicide or in emotional distress, the suicide point of contact (or other appropriate school staff member) will meet with the parents/guardians/caregivers to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of the importance of care. If follow-up care for the student is still not provided, school staff should consider contacting Child Protective Services (CPS) to report neglect of the youth. Toll-free within California: **(800) 540-4000**. If calling from outside of California: (213) 639-4500. TDD [Hearing Impaired]: (800) 272-6699.

E. Action Plan for In-School Suicide Attempts

If a suicide attempt is made during the school day on campus, it is important to remember that the health and safety of the student and those around him/her is critical. The following steps should be implemented:

- Remain calm, remember the student is overwhelmed, confused, and emotionally distressed;
- Move all other students out of the immediate area;
- Immediately contact the administrator or suicide prevention liaison;
- Call 911 and give them as much information about any suicide note, medications taken, and access to weapons, if applicable;
- If needed, provide medical first aid until a medical professional is available;
- Parents/guardians/caregivers should be contacted as soon as possible;
- Do not send the student away or leave them alone, even if they need to go to the restroom;
- Listen and prompt the student to talk;
- Review options and resources of people who can help;
- Be comfortable with moments of silence as you and the student will need time to process the situation;
- Provide comfort to the student;
- Promise privacy and help, and be respectful, but do not promise confidentiality;
- Student should only be released to parents/guardians/caregivers or to a person who is qualified and trained to provide help.

F. Action Plan for Out-of-School Suicide Attempts

If a suicide attempt by a student is outside of Richmond College Prep property, it is crucial that Richmond College Prep protects the privacy of the student and maintain a confidential record of the actions taken to intervene, support, and protect the student. The following steps should be implemented:

- Contact the parents/guardians/caregivers and offer support to the family;

- Discuss with the family how they would like the school to respond to the attempt while minimizing widespread rumors among teachers, staff, and students;
- Obtain permission from the parents/guardians/caregivers to share information to ensure the facts regarding the crisis is correct;
- Designate a staff member to handle media requests;
- Provide care and determine appropriate support to affected students;
- Offer to the student and parents/guardians/caregivers steps for re-integration to school.

G. Supporting Students after a Mental Health Crisis

It is crucial that careful steps are taken to help provide the mental health support for the student and to monitor their actions for any signs of suicide. The following steps should be implemented after the crisis has happened:

- Treat every threat with seriousness and approach with a calm manner; make the student a priority;
- Listen actively and non-judgmental to the student. Let the student express his or her feelings;
- Acknowledge the feelings and do not argue with the student;
- Offer hope and let the student know they are safe and that help is provided. Do not promise confidentiality or cause stress;
- Explain calmly and get the student to a trained professional, guidance counselor, or designated staff to further support the student;
- Keep close contact with the parents/guardians/caregivers and mental health professionals working with the student.

H. Re-Entry to School After a Suicide Attempt

A student who threatened or attempted suicide is at a higher risk for suicide in the months following the crisis. Having a streamlined and well-planned re-entry process ensures the safety and well-being of students who have previously attempted suicide and reduces the risk of another attempt. An appropriate re-entry process is an important component of suicide prevention. Involving students in planning for their return to school provides them with a sense of control, personal responsibility, and empowerment.

The following steps shall be implemented upon re-entry:

- Obtain a written release of information signed by parents/guardians/caregivers and providers;
- Confer with student and parents/guardians/caregivers about any specific requests on how to handle the situation;
- Inform the student's teachers about possible days of absences;
- Allow accommodations for student to make up work (be understanding that missed assignments may add stress to student);
- Mental health professionals or trusted staff members should maintain ongoing contact to monitor student's actions and mood;
- Work with parents/guardians/caregivers to involve the student in an aftercare plan.

I. Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on students and staff. Therefore, it is vital that we are prepared ahead of time in the event of such a tragedy. Our counselor and Family and Community Engagement Coordinator for Richmond College Prep shall ensure that each school site adopts an action plan for responding to a suicide death as part of the general Crisis Response Plan. The Suicide Death Response Action Plan (Suicide Postvention Response Plan) needs to incorporate both immediate and long-term steps and objectives.

- Suicide Postvention Response Plan shall:
 - Identify a staff member to confirm death and cause (school site administrator);
 - Identify a staff member to contact the deceased's family (within 24 hours);

- o Enact the Suicide Postvention Response Plan, including an initial meeting of the charter school/school Suicide Postvention Response Team;
- o Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
- Coordinate an all-staff meeting, to include:
 - o Notification (if not already conducted) to staff about suicide death;
 - o Emotional support and resources available to staff;
 - o Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by the administration);
 - o Share information that is relevant and that you have permission to disclose.
- Prepare staff to respond to the needs of students regarding the following:
 - o Review of protocols for referring students for support/assessment;
 - o Talking points for staff to notify students;
 - o Resources available to students (on and off campus).
- Identify students significantly affected by suicide death and other students at risk of imitative behavior;
- Identify students affected by suicide death but not at risk of imitative behavior;
- Communicate with the larger school community about the suicide death;
- Consider funeral arrangements for family and school community;
- Respond to memorial requests in a respectful and non-harmful manner; responses should be handed in a thoughtful way and their impact on other students should be considered;
- Identify a media spokesperson skilled in covering a story without the use of explicit, graphic, or dramatic content (go to the Reporting on Suicide.Org Web site at www.reportingonsuicide.org). Research has proven that sensationalized media coverage can lead to contagious suicidal behaviors.
- Utilize and respond to social media outlets:
 - o Identify what platforms students are using to respond to a suicide death.

- o Identify/train staff and students to monitor social media outlets.
- Include long-term suicide postvention responses:
 - o Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed.
 - o Support siblings, close friends, teachers, and/or students of the deceased.
 - o Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

- (a) Program guidelines issued by the State Department of Education shall be designed to serve as a model or example, and shall not be prescriptive. Program guidelines issued by the department shall include written notification that the guidelines are merely exemplary and that compliance with the guidelines is not mandatory.
- (b) The Superintendent of Public Instruction shall review all program guidelines prepared by the State Department of Education prior to issuance to local education agencies. The superintendent shall approve the proposed guidelines only if he or she determines that all of the following conditions are met:
 - (1) The guidelines are necessary.
 - (2) The department has the authority to issue the guidelines.
 - (3) The guidelines are clear and appropriately referenced to, and consistent with, existing statutes and regulations.

Family/School Relations

School Support Organizations

School Site Council: Each year, the School Site Council (SSC) creates, monitors, and evaluates the Single Site Plan for student achievement. This Plan is critical to ensure that the school reaches its academic goals for all students. In addition, the SSC decides how the School Improvement Plan (SIP) budget should be spent. The SSC has composed of 10 members: four parents, four faculty members, one staff member and the Principal or Designee. Members of the SSC are elected by their peers and serve for one year. All meetings are open to the school community and parents are expected to attend, but may not vote. The agenda and minutes will be posted on the bulletin board near the main entrance. The SSC meets once per month.

Room Parent Communications: The classroom parents are tremendous supports for our classes. Please let the classroom teacher know if you are interested in working as a room parent.

Various Committees: Parents, if you would like to be on a specific committee i.e. **library, gardening, annual family festival, fundraising, etc.** please let the classroom teacher know and he/she will contact the appropriate staff member.

Communication and News

Parent-Teacher Conferences: Parent-teacher conferences are scheduled in the fall and spring. Please see the school calendar for exact dates. Parents and/or teachers can also request a conference at any other time during the year as needed.

E-mail Etiquette: E-mail is a great tool when used appropriately. Please use a respectful tone in all e-mails sent to members of the RCP community. Please refrain from sending e-mails that relate to the following: conflicts about grades/report cards, concerns about fellow parents, confidential information, and personnel matters.

Parent and Community Volunteer Policy

When volunteering at RCP, parents are demonstrating their support for education!

Richmond College Prep Elementary Charter School values the role that the school plays in the neighborhood and the local community. We encourage members of the community to volunteer in our classrooms under the direct supervision of the teacher. Volunteerism by parents is encouraged but not mandatory. Any volunteer hours are tracked for purposes of maintaining data on the parent participation at the School.

To ensure the health and safety of our children and staff, all prospective volunteers must have clear Tuberculosis (TB) test results prior to participation in any classroom activities. Volunteers who will volunteer outside of the direct supervision of a credentialed employee shall be (1) fingerprinted and (2) receive background clearance prior to volunteering without the direct supervision of a credentialed employee.

Prior to volunteering in the classroom, the volunteer should communicate with the teacher to discuss the expectations for volunteering needs. Classroom volunteers are there to benefit the entire class and are not in class solely for the benefit of their own child. Classroom volunteers must follow the instructions provided by the classroom teacher or aide. Classroom rules also apply to volunteers to ensure minimal distraction to the teacher. If a volunteer is uncomfortable following the direction of the teacher or aide, the volunteer may leave their volunteer position for that day.

Language/Behavior: We are all role models for the children around us. Cursing, inappropriate language, or adult discussions are not allowed on campus or on field trips.

Classroom Disruptions: Please understand that in academic settings it is important to be able to give full attention to the task at hand. For this reason, non-enrolled children are not permitted to accompany volunteers during school hours. Teachers need the attention of the students to direct the instruction. Extraneous conversations distract from the task at hand.

Cell phones are to be turned off when volunteering in the classrooms. If you need to be reached, please let the office know you are expecting a call and the office staff will inform you when the call comes.

Volunteers are not to discipline students. Discipline is solely the responsibility of the teacher. The teacher is the professional whose responsibility is to plan the course of study and see that it is implemented. The volunteer always works under the direction of the teacher to help, not replace, the teacher.

Adults are respectful to children and children are always expected to be respectful in return. If on any occasion a volunteer is treated disrespectfully, inform the teacher or the principal or designee as soon as possible. Children are to refer to all adults as Mr., Mrs., or Ms. and may not address volunteers by the first name.

Confidentiality: Confidentiality is of the utmost importance when volunteering with teachers and students. What is seen and heard at school is private. When assisting in the classroom, volunteers are in the unique position of overhearing personal information. Students should not be discussed with other parents, faculty, staff, or even that child's parent. You must always refer any questions regarding students to the child's teacher or the principal or designee.

Parent and Family Engagement

The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of the Charter School's complete Policy is available upon request in the main office.

Behavioral Expectations & Discipline Policies

Lost or Damaged School Property

If a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, the Charter School may withhold the student's grades, transcripts, and diploma until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades will be released.

Dress Code Policy

TK-5th Grade: Light blue or navy blue shirt and navy or khaki pants, skirt, shorts, or jumper. **No ripped/torn jeans, sandals or open-toed shoes for safety reasons.**

Middle School (6-8): Light blue or navy blue shirt and khaki pants, skirt, shorts, or jumper. **Middle school students must abide the complete dress code every day in order for them to go to class. Jeans are not allowed.**

TK-5th Grade Policy: Every student must meet dress code daily. If a student does not, s/he will receive a "loner shirt" from their teacher. The first time the student doesn't wear a uniform, s/he will receive a Dojo message from their teacher to inform the student's family. If s/he doesn't wear the uniform on the second day, s/he will receive a phone call home from his/her teacher.

Middle School Uniform Policy: If a middle school student comes to school without the appropriate top or bottom, they must come to the office to call home for someone to bring their appropriate uniform. If someone cannot bring their appropriate clothes, the office will try to provide something for the student. Middle school students will not be able to return to class without their complete uniform.

Uniform Incentive: Every day, the classroom teacher or IA will keep track of students wearing their uniform. On the last Friday of each month, students who have worn their uniform every day will be eligible to participate in Free Dress Day. **If a student has not come to school in uniform every day over the course of the month, he/she will have to wear a uniform shirt from home or a loner uniform shirt on Free Dress day.**

Cell Phone Policy

Students may use the office phone in the case of an emergency with a note from their teacher. Cell phones brought to school are to remain turned off and inside of backpacks. Cell phones are not to be used while students are on campus, unless prior permission is granted. These guidelines will be followed during the before and after school program and during field trips. In case of an emergency, students may use the office phone with a note from the classroom teacher. If parents or guardians need to contact their child while on campus, please call the Maritime office (Preschool – 1st grade) at 510.235.2066 or the Charter school (2nd – 6th grade) at 510.965.1029. The office staff will put you in contact with your child.

Private devices may be used:

- Off campus before or after school.
- Before or after any Charter School sponsored activity occurring before or after the regular school day.
- In the case of an emergency, or in response to a perceived threat of danger.
- When a teacher or administrator of the Charter School grants permission to a student to possess or use a private device, subject to any reasonable limitation imposed by that teacher or administrator.
- When a licensed physician and surgeon determines that the possession or use of a private device is necessary for the health or well-being of the student.

- When the possession or use of a private device is required in a student's individualized education program ("IEP").

Private devices shall be turned off and shall not be used:

- During break periods, between class periods, or during lunch.
- During events sponsored by the Charter School held before or after regular school hours.
- On field trips or excursions sponsored by the Charter School.

If a student is seen with a cell phone without permission, RCP staff will follow this protocol:

- After the first infraction: the student may pick up the phone from the classroom teacher at the end of the day.
- Second infraction: a parent must pick up the phone from the classroom teacher or from the office.
- Third infraction: you may be asked to speak to your student's teacher and grade level Director.

The school will not be responsible for any lost, stolen, damaged, or confiscated phones, or for usage fees resulting from such confiscation.

Classroom Behavior Management

All teachers will establish a multi-step management system within their classroom that includes positive rewards, as well as negative consequences for students who break classroom rules. The management system will be clearly communicated to both students and families at the beginning of the year.

School-Wide Referral System

Students can receive a referral if they exhibit an extreme behavior.

Examples of Possible Referrals:

- Physical fighting
- Using foul language towards a teacher
- Using racial slurs
- Purposefully destroying school property

When a student receives a referral, contact will be made with the student's family. Consequences are determined with the administrator's discretion.

If a student receives 4 referrals in one month, he/she will be referred for a Student Success Team (SST) meeting. The team will develop an individualized behavior plan with individual behavioral goals for that student.

SUSPENSION AND EXPULSION POLICY AND PROCEDURES

Revised: 01/26/23

The following Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well being of all students at Richmond College Prep Elementary ("Charter School"). In creating this policy, the Charter School has reviewed Education Code Section 48900 *et seq.* which describe the offenses for which students at noncharter schools may be suspended or expelled and the procedures governing those suspensions and expulsions in order to establish its list of offenses and procedures for suspensions, expulsions and involuntary removal. The language that follows is largely consistent with the language of Education Code Section 48900 *et seq.* The Charter School is committed to annual review of policies and procedures surrounding suspensions, expulsions, and involuntary removals, and, as necessary, modification of the lists of offenses for which students are subject to suspension, expulsion, or involuntary removal.

Consistent with this Policy, it may be necessary to suspend or expel a student from regular classroom instruction. This shall serve as the Charter School's policy and procedures for student suspension, expulsion, and involuntary removal, and it may be amended from time to time without the need to seek a material revision of the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary policies and procedures fairly and consistently among all students. This policy and its procedures will be printed and distributed annually as part of the Student Handbook which will clearly describe discipline expectations.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

The Charter School administration shall ensure that students and their parents/guardians¹ are notified in writing upon enrollment of all discipline and involuntary removal policies and procedures. The notice shall state that this policy and its procedures are available upon request at the Director's office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

¹ The Charter School shall ensure that a homeless child or youth's educational rights holder; a foster child or youth's educational rights holder, attorney, and county social worker; and an Indian child's tribal social worker and, if applicable, county social worker have the same rights as a parent or guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, involuntary removal notice, and other documents and related information. For purposes of this Policy and its Procedures, the term "parent/guardian" shall include these parties.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law requires additional or different procedures. The Charter School will follow all applicable federal and state laws including but not limited to the applicable provisions of the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent/guardian of the student has been provided written notice of intent to remove the student no less than five (5) school days before the effective date of the action. The written notice shall be in the native language of the student or the student's parent/guardian or , and shall inform the student, and the student's parent/guardian, of the basis for which the student is being involuntarily removed and the student's parent/guardian's, right to request a hearing to challenge the involuntary removal. If a student's parent/ guardian requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent/ guardian requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below. Students may be involuntarily removed for reasons including, but not limited to, failure to comply with the terms of the student's independent study Master Agreement pursuant to Education Code Section 51747(c)(4).

This conference shall be held within two (2) school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. The conference shall be held as soon as the student is physically able to return to school for the conference. Penalties shall not may be imposed on a student for failure of the student's parent/guardian to attend a conference with Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student's parent/guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, the principal or designee shall make a reasonable effort to contact the parent/guardian in person, by email, or by telephone. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense(s) committed by the student as well as the date the student may return to school following the suspension. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of expulsion by the Director or designee, the student and the student's parent/guardian will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the student and the student's parent/guardian, unless the student and the student's parent/guardian fail to attend the conference.

This determination will be made by the Principal or designee upon either of the following: 1) the student's presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing.

4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the student, or the affected student, a teacher shall provide to a student in any of grades 1 to 12, inclusive, who has been suspended from school for two (2) or more school days, the homework that the student would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the student's overall grade in the class.

D. Authority to Expel

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Charter School Board of Directors following a hearing before it or by the Charter School Board of Directors upon the recommendation of a neutral and impartial Administrative Panel, to be assigned by the Board of Directors as needed. The Administrative Panel shall consist of at least three (3) members who are certificated and neither a teacher of the student nor a member of the Charter School Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Principal or designee determines that the student has committed an expellable offense and recommends the student for expulsion.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under the Family Educational Rights and Privacy Act "FERPA") unless the student makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

1. The date and place of the expulsion hearing.
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based.
3. A copy of the School's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment.
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor.
6. The right to inspect and obtain copies of all documents to be used at the hearing.
7. The opportunity to confront and question all witnesses who testify at the hearing.
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of their right to (a) receive five (5) days' notice of their scheduled testimony; (b) have up to two (2) adult support persons of their choosing present in the hearing at the time the complaining witness testifies, which may include a parent/guardian or legal counsel; and (c) elect to have the hearing closed while testifying.
2. The School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours the complaining witness is normally in school, if there is no good cause to take the testimony during other hours.

6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany the complaining witness to the witness stand.
7. If one or both of the support persons is also a witness, the School must present evidence that the witness' presence is both desired by the witness and will be helpful to the School. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising their discretion to remove a person from the hearing whom they believe is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have their testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board, Administrative Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

I. Expulsion Decision

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the Administrative Panel decides not to recommend expulsion, or the Board ultimately decides not to expel, the student shall immediately be returned to his/her educational program.

The Board of Directors may also determine to suspend the enforcement of the expulsion order for a period of not more than one (1) calendar year from the date of the expulsion hearing and return the student to the student's previous educational program under a probationary status and rehabilitation plan to be determined by the Board. During the period of the suspension of the expulsion order, the student is deemed to be on probationary status. The Board of Directors may revoke the suspension of an expulsion order under this section if the student commits any of the enumerated offenses listed above or violates any of the Charter School's rules and regulations governing student conduct. If the Board revokes the suspension of an expulsion order, the student may be expelled under the terms of the original expulsion order. The Board of Directors shall apply the criteria for suspending the enforcement of the expulsion order equally to all students, including individuals with exceptional needs as defined in Education Code Section 56026. The Board of Directors shall further comply with the provisions set forth under Education Code Section 48917, except as otherwise expressly set forth herein.

J. Written Notice to Expel

The Principal or designee following a decision of the Board to expel shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

1. Notice of the specific offense committed by the student
2. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the School.

The Principal or designee shall send a copy of the written notice of the decision to expel to the chartering authority.

This notice shall include the following:

- a) The student's name
- b) The specific expellable offense committed by the student

The Board's decision to expel shall be final.

K. Disciplinary Records

The School shall maintain records of all student suspensions and expulsions at the School. Such records shall be made available to the County upon request.

L. No Right to Appeal

The student shall have no right of appeal from expulsion from the Charter School as the Charter School Board of Directors' decision to expel shall be final.

M. Expelled Pupils/Alternative Education

Students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence.

N. Rehabilitation Plans

Students who are expelled from the School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to the School for readmission.

O. Readmission or Admission of Previously Expelled Student

The decision to readmit a student after the end of the student's expulsion term or to admit a previously expelled student from another school district or charter school who has not been readmitted/admitted to another school or school district after the end of the student's expulsion term shall be in the sole discretion of the Board following a meeting with the Principal and the student and guardian to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. The Principal shall make a recommendation to the Board following the meeting regarding his or her determination. The Board shall then make a final decision regarding readmission or admission of the student during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The student's readmission is also contingent upon the School's capacity at the time the student seeks readmission.

P. Notice to Teachers

The Charter School shall notify teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

Q. Involuntary Removal for Truancy

As charter schools are schools of choice and as a charter school student who fails to attend school is potentially depriving another student of their opportunity to enroll, a student may be involuntarily removed as described within the Charter School's Board adopted Attendance Policy for truancy and only after the Charter School follows the requirements of the Attendance Policy and only in accordance with the policy described above which requires notice and an opportunity for a parent, guardian, educational rights holder to request a hearing prior to any involuntary removal. Students who are involuntarily removed for truancy will be given a rehabilitation plan and will be subject to the readmission procedures set forth herein.

R. Special Procedures for the Consideration of Suspension and Expulsion or Involuntary Removal of Students with Disabilities

1. Notification of District/SELPA

The Charter School shall immediately notify the SELPA and District and coordinate the procedures in this policy with the District and SELPA of the discipline of any student with a disability or student that the Charter School, District, or the SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and

receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parent/guardian to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the Charter School, the parent/guardian, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Principal or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however, the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

Professional Boundaries Policy

Richmond College Prep Schools ("Charter School") recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

While the use of appropriate touching is part of daily life and is important for student development, teachers and other staff members must ensure that they do not exceed appropriate behavior. If a child or other staff member specifically requests that he or she not be touched, then that request must be honored without question.

Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behaviors

Some activities may seem innocent from a staff member's perspective but may be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or

“grooming.” Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Violations could subject the teacher or staff member to discipline up to and including termination. *Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes.* Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Examples of Specific Behaviors

These lists (and any subsequent lists) are not meant to be all-inclusive, but rather, illustrative of the types of behavior we intend to address by this policy.

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- Giving gifts to an individual student that are of a personal and intimate nature (including photographs); or items such as money, food, outings, electronics, etc. without the written pre-approval of the Principal or School Leader. It is recommended that any such gifts be filtered through the Directors along with the rationale therefor.
- Kissing of ANY kind
- Massage [Note: Prohibited in athletics unless provided by massage therapist or other certified professional in an open public location. Coaches may not perform massage or rub-down. Permitted in special education only as instructed under an IEP or 504 plan.]
- • Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Furnishing alcohol, tobacco products, or drugs or failing to report knowledge of such
- “Dating” or “going out with” a student
- Undressing in front of a student
- Leaving campus alone with a student for lunch
- Sharing a bed, mat, or sleeping bag with a student
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator.

- Listening to or telling stories that are sexually oriented
- Discussing your personal troubles or intimate issues with a student
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Being alone in a room with a student at school with the door closed and/or windows blocked from view
- Allowing students at your home and/or in rooms within your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or designated school volunteer
- "Dating" or "going out with" a student
- Undressing in front of a student
- Leaving campus alone with a student for lunch
- Sharing a bed, mat, or sleeping bag with a student

Cautionary Staff/Student Behaviors

(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their supervisor of the circumstance and occurrence prior to or immediately after the occurrence)

- Sending emails, text messages, social media responses, making phone calls, or sending notes or letters to students if the content is not about school activities. Communication via private social media accounts is not acceptable.
- Excessive attention toward a particular student.
- Remarks about physical attributes or physiological development of anyone. This includes comments such as "Looking fine!" or "Check out that [body part]."

Acceptable and Recommended Staff/Student Behaviors

- Pats on the shoulder or back
- Handshakes
- "High-fives" and hand slapping
- Holding hands while walking with small children or children with significant disabilities

- Obtaining formal written pre-approval from Director(s) to take students off school property for activities such as field trips or competitions, including parent's written permission and waiver form for any sponsored after-school activity whether on or off campus
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via transparent [non-private] school-based technology and equipment)
- Keeping the door wide open when alone with a student
- Keeping reasonable and appropriate space between you and the student
- Stopping and correcting students if they cross your own personal boundaries, including touching legs, or buttocks, frontal hugs, kissing, or caressing
- Keeping parents informed when a significant issue develops about a student, such as a change in demeanor or uncharacteristic behavior
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior staff or administration if you find yourself in a difficult situation related to boundaries
- Involving your direct supervisor in discussion about boundaries situations that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)
- Making detailed notes about an incident that in your best judgement could evolve into a more serious situation later
- Recognizing the responsibility to stop Unacceptable Behaviors of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours
- Prioritizing professional behavior during all moments of student contact
- *Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career.*

This policy does not prevent: 1) touching a student for the purpose of guiding them along a physical path; 2) helping them up after a fall; or 3) engaging in a rescue or the application of Cardio Pulmonary Resuscitation (CPR) or other emergency first-aid. Nor does it prohibit the use of reasonable force and touching in self-defense or in the defense of another. Restraining a child who is trying to engage in violent or inappropriate behavior is also allowed. Only such force as necessary to defend one's self, another person, or the child or to protect property is legally permitted. Excessive force is prohibited.

Boundaries Reporting

When any staff member, parent, or student becomes aware of a staff member (or volunteer, guest, vendor) having crossed the boundaries specified in this policy, or has a strong suspicion of misconduct, he or she must report the suspicion to the Director promptly. Reasonable suspicion means something perceived in spite of inconclusive or slight evidence. It is based on facts that would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the school as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Child Abuse / Sexual Abuse Reporting (Mandatory Reporting)

If, within your professional capacity or within the scope of your employment, you observe or gain possession of knowledge that a child has been a victim of child abuse or sexual abuse, or you reasonably suspect it, California Penal Code Section 11166 requires you to immediately report this information or suspicion directly to a child protective agency or the police. The report shall be made by phone as soon as possible and a subsequent written report must be sent within 36 hours of your knowledge or suspicion of the abuse. Internal reporting to the Supervisor/Director occurs after the phone-in report. Failure to meet these obligations can result in a monetary fine and/or jail.

Investigating

The Human Resources Coordinator will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as he or she deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all others privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Chief Executive Officer shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

Special Populations

Section 504

The Charter School recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the Charter School. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the Charter School. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Director. A copy of the Charter School's Section 504 policies and procedures is available upon request at the main office.

Special Education /Students with Disabilities

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The Charter School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act ("IDEA"), Education Code requirements, and applicable policies and procedures of the WCCUSD. These services are available for special education students enrolled at the Charter School. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. The Charter School collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, the Charter School is responsible for identifying, locating, and evaluating children enrolled at the Charter School with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact Diana Gurrola-Ramirez Upper Elementary Director at 510-235-2066 X201.

Foster and Mobile Youth Liaison: The Director or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

Tana Monteiro Family and Community Engagement Coordinator

1014 Florida Ave., Richmond CA, 94804

510-235-2066 X200

The Foster and Mobile Youth Liaison's responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent/guardian to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency ("LEA"), the Charter School shall provide these student records within five (5) business days. The Charter School shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School's Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent. Students who are 16 years of age or older or have finished 10th grade may access their own school records.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster youth pending a recommendation for expulsion, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

Rights and Complaint Procedures

Student Records, including Records Challenges and Directory Information

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School Director or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School's Director or designee, clearly identify the part of the

record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School's Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

5. The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from a student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. - a) Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;

When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
- c) Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

The disclosure may only include the final results of the disciplinary proceedings conducted by the Charter School with respect to that alleged crime or offense. The Charter School discloses the final results of the disciplinary proceeding regardless of whether the Charter School concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. The Charter School may disclose the personally identifiable information that it has designated as directory information without a parent's

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report ("Decision") within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of the Charter School's written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of

the Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School's Decision is inconsistent with the law.
5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court

include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

A copy of the UCP shall be available upon request free of charge in the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Director.

Title IX, Harassment, Intimidation, Discrimination, And Bullying Policy

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Integrity Charter School ("Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, the Charter School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely

manner. Charter School school staff who witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, the Charter School will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom Charter School does business, or any other individual, student, or volunteer. This Policy applies to all employee, student, and volunteer actions and relationships, regardless of position or gender. Charter School will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. Charter School complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

Prohibited Unlawful Harassment under Title IX

Title IX (20 U.S.C. § 1681 *et seq.*; 34 C.F.R. Part 106) and California state law prohibit discrimination and harassment on the basis of sex. Under Title IX, “sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

- An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;

- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or

In accordance with Title IX and California law, discrimination and harassment on the basis of sex in education institutions, including in the education institution's admissions and employment practices, is prohibited. All persons, regardless of sex, are afforded equal rights and opportunities and freedom from unlawful discrimination and harassment in education programs or activities conducted by Charter School.

Charter School is committed to providing a work and educational environment free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action. Inquiries about the application of Title IX and 34 C.F.R. Part 106 may be referred to the Coordinator, the Assistant Secretary for Civil Rights of the U.S. Department of Education, or both.

Sexual harassment consists of conduct on the basis of sex, including but not limited to unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct on the basis of sex, regardless of whether or not the conduct is motivated by sexual desire, when: (a) Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, education, academic status, or progress; (b) submission to, or rejection of, the conduct by the individual is used as the basis of employment, educational or academic decisions affecting the individual; (c) the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; and/or (d) submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

It is also unlawful to retaliate in any way against an individual who has articulated a good faith concern about sexual harassment against themselves or against another individual.

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - o Rape, sexual battery, molestation or attempts to commit these assaults.
 - o Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.

- Unwanted sexual advances, propositions or other sexual comments, such as:
 - o Sexually oriented gestures, notices, remarks, jokes, or comments about a person’s sexuality or sexual experience.
 - o Preferential treatment or promises of preferential treatment to an individual for submitting to sexual conduct, including soliciting or attempting to solicit any individual to engage in sexual activity for compensation or reward or deferential treatment for rejecting sexual conduct.
 - o Subjecting or threats of subjecting a student or employee to unwelcome sexual attention or conduct or intentionally making the student’s or employee’s performance more difficult because of the student’s or the employee’s sex.

- Sexual or discriminatory displays or publications anywhere in the work or educational environment, such as:
 - o Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing or possessing any such material to read, display or view in the work or educational environment.
 - o Reading publicly or otherwise publicizing in the work or educational environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic.
 - o Displaying signs or other materials purporting to segregate an individual by sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this Policy.

Bullying and Cyberbullying Prevention Procedures

Charter School has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

Charter School advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

Charter School informs Charter School employees, students, and parents/guardians of Charter School's policies regarding the use of technology in and out of the classroom. Charter School encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

Charter School employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. Charter School advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at Charter School and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

Charter School's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

Charter School informs Charter School employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

Charter School annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other Charter School employees who have regular interaction with students.

Charter School informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance

- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

Charter School also informs certificated employees about the groups of students determined by Charter School, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

Charter School encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for Charter School’s students.

Grievance Procedures

1. Scope of Grievance Procedures

Charter School will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying based on a protected characteristic, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the Charter School UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, Charter School will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Teresa Hart-Sanchez
Director
701 National City Blvd.
National City, CA 91950
thart@integritycharterschool.net

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Charter School will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Director, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Charter School acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

Charter School prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation

or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker and any person who facilitates an informal resolution process will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to Charter School's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or Charter School's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. Charter School will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of Charter School to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of Charter School, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take

longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that Charter School prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
 - Charter School may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with Charter School's policies.
 - Charter School may remove a respondent from Charter School's education program or activity on an emergency basis, in accordance with Charter School's policies, provided that Charter School undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
 - This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
 - If a formal complaint of sexual harassment is filed, Charter School may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If Charter School offers such a process, it will do the following:

- Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.
 - o Charter School will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- Investigation Process
 - o The decision-maker will not be the same person(s) as the Coordinator or the investigator. Charter School shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
 - o In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
 - o The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
 - o The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
 - o A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
 - o Prior to completion of the investigative report, Charter School will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
 - o The investigator will complete an investigation report that fairly summarizes all relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - o If the investigation reveals that the alleged harassment did not occur in Charter School's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with

- regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable Charter School policy.
- o Charter School may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at Charter School; or
 - The specific circumstances prevent Charter School from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
 - o If a formal complaint of sexual harassment or any of the claims therein are dismissed, Charter School will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
 - Determination of Responsibility
 - o The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
 - o Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
 - o Charter School will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - The findings of facts supporting the determination;
 - The conclusions about the application of Charter School's code of conduct to the facts;
 - The decision and rationale for each allegation;
 - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from Charter School or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by Charter School in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find Charter School's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of Charter School's

decision or resolution, submit a written appeal to the President of the Charter School Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and Charter School will implement appeal procedures equally for both parties.
- Within five (5) business days of Charter School's written decision or dismissal of the complaint, the complainant or respondent may submit a written appeal to the Coordinator.
- The decision-maker(s) for the appeal will not be the same person(s) as the Coordinator, the investigator or the initial decision-maker(s).
- The complainant and respondent may appeal from a determination regarding responsibility, and from Charter School's dismissal of a formal complaint or any allegations therein, on the following bases:
 - Procedural irregularity that affected the outcome of the matter;
 - New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- Charter School will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will: 1) give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; 2) issue a written decision describing the result of the appeal and the rationale for the result; and 3) provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

Charter School will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

Frequently Asked Questions (FAQ's)

What happens if my child is sick or injured? If your child needs emergency care, the school will call 911. Otherwise, sick or injured children wait in the office until a caregiver picks them up.

Does my child need spare clothing? All kindergarteners are asked to have a change of clothing in their classroom. In the unlikely event that your older child needs fresh clothes, the school will either call you, or an item will be borrowed from the lost and found. If an item is borrowed, we ask that you launder and return.

When will my child know who his or her teacher is for the next year? The class lists will be posted at the main school door on the first day of school.

Does my child need a backpack? All students are requested to bring a backpack to transport their homework folders, letters, work, sweatshirts and/or changes of clothes.

Do I need to call if my child is sick? Yes! Call the Attendance Clerk, Mrs. Laura Viveros by 8:15 am every day to inform her that your child is out. If possible, stop by the school to get homework or work that your child missed.

My child will be absent for family reasons for a week. What should I do? Talk to your child's teacher and get the work in advance. Your teacher may be able to set up an Independent Study plan for your child so they don't get behind.

I'm used to signing my child in and out at preschool. In this new first grade environment, who will ensure that my child is in class when he or she should be? From 8:30 am to 3:00 pm, the Instructional Assistant will guide the students back to class at the appropriate times. After you bring your child to breakfast at 7:30 am, a staff member in the cafeteria will release the children to class at 7:55 am. As a parent or guardian, you are welcome to walk your child to class at that time.

I think my child is in the wrong grade. What can I do? Start with your child's teacher. The teachers at the school will decide whether to accelerate or retain your child in subsequent years.

What happens if I don't want my child to go on a field trip? You will be asked to sign a permission slip before every field trip. If you don't give permission, your child will not attend the field trip and will be placed in another classroom for the duration of the field trip.
