

RCP After-School Enrichment Student Behavior & Procedures Pledge

Dear Parent/Guardians:

Our staff and directors are honored to provide meaningful and exciting after-school programs for our 3rd through 8th-grade students. We are dedicated to mentoring and molding the character of young people and place particular emphasis on self-respect and respecting others. We believe it is of the utmost importance that our parents/guardians are well aware of the discipline policies and procedures that help maintain a culture of respect and integrity.

By signing this agreement, you understand, agree, and support our stated procedures. And that these set policies will allow all participants to experience the culture for success, minimize harmful behavior, and lessen distraction to others participating in the After-School Academic Support and Enrichment Programs. Failing to meet these criteria will lead to, at minimum, a one-week suspension or dismissal from the program.

Please read and discuss the following with your child before signing.

The expectations are that:

1. Students attend both Enrichment and Academic support 4-5 days per week.
2. Students do not leave the campus for any reason and return at later time.
3. Students are on time to programs directly after dismissals.
4. Students only attend their assigned classes.
5. Students keep RCP daily phone policy after school (no phone cell use).
6. Students will engage positively and respectfully with peers and ASES staff members.
7. Students should not leave before 5:45 p.m.

Please note that all school and district policies pertaining to student behavior, safety, and conduct are adhered to during the after-school sessions.

I understand the RCP After-School Programs Discipline procedures as summarized and do pledge, by signing, to uphold each article or be otherwise obligated to receive the consequences up to and including dismissal.
